**Ethics Committee Assessment**

1. Please give your professional title (e.g., registered nurse, repiratory therapist, social worker):

2. What is the ethics committee, and what is its role?

3. Who is on the ethics committee?

4. For what kinds of situations would you consult with the ethics committee?

5. How would you access the ethics committee if you needed to do so?

6. Additional comments:
